REQUIREMENTS FOR FOREIGNERS

Clarification: these requirements are for ALL foreigners that wish to come to our University, whether they are students, teachers, assistants (this enumeration is not necessarily exhaustive)

Students interested in being admitted are to apply for enrollment directly at the University in which they wish to study. The system calls for the prior validation of high schools studies that students completed in their home countries.

A student shall appear before the National Immigrations Division within a thirty working-day term and shall submit the following documentation:

A currently valid passport, his identity card, or a citizenship certificate.

A legalized and appostilled certificate confirming the non-existence of criminal records where the student has resided for the last five years.

A certificate stating the non-existence of criminal records in the Argentine Republic which must be processed at: Edificio Nº 4 de la Dirección Nacional de Migraciones from 9 to 12, or in Azopardo 620 (Policía Federal Argentina), or in Tucumán 1353 (Registro Nacional de Reincidencia) both in the city of Buenos Aires.

IMPORTANT:

All foreign documentation must be authenticated by the Argentine Consulate in the country in which it has been issued or legalized with the stamp or seal "Apostille" (The Hague Convention of 1961).

All documentation written in a foreign language must be translated into Spanish by a National Public Translator and legalized by the Translators Association in which the translator is registered.

All documentation must be presented in an original copy and a photocopy, in order for them to be certified.
